

About

The Center for Addiction Recovery Education & Success (CARES) is a peer-to-peer, volunteer-based, recovery-oriented sanctuary located in Rockaway, NJ. We exist to put a face on recovery, build recovery capital and serve as a physical location where the local recovery community can join together. CARES honors all pathways to recovery.

Mission

CARES actively engages and organizes the recovery community helping individuals find, maintain, and enhance their recovery experience through peer support, educational and volunteer opportunities and sober recreation. CARES works to reduce the stigma associated with substance abuse through advocacy, education and service.

Vision

CARES envisions a world where recovery from addiction is understood, promoted, embraced and enjoyed and where all who seek recovery have access to the support, care and resources needed to achieve long-term recovery.

For more information about CARES, please contact:

Jim Gannon, Morris County Sheriff
973-285-6600
